DEDICATION

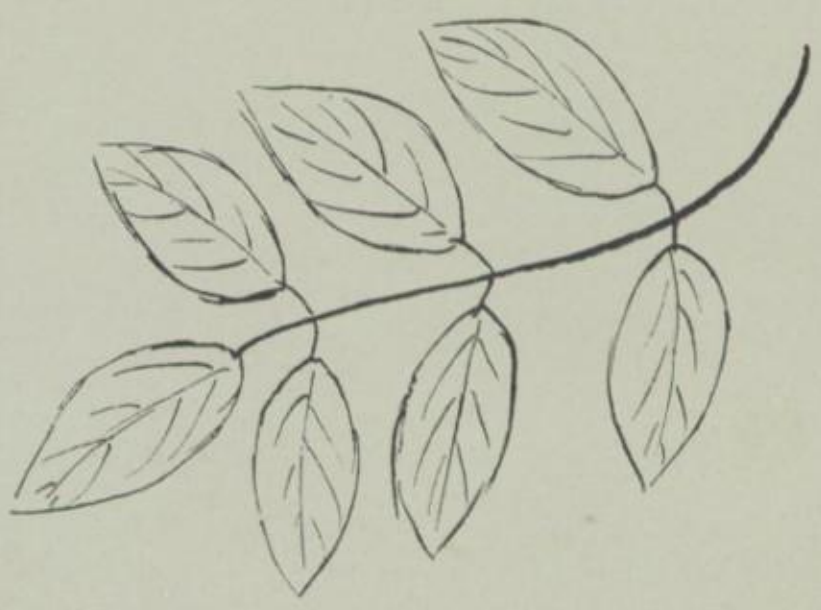
In recognition of his accomplishments in the field of sports at Randolph-Henry, his excellence as a coach, his sportsmanship, his leadership, his discipline, his attractive personality and his faithful service to the school,, we proudly dedicate the 1963 edition of THE LOG to a true gentleman and friend — — —

COACH GEORGE A. "CHICK" RAO

Fall

FALL

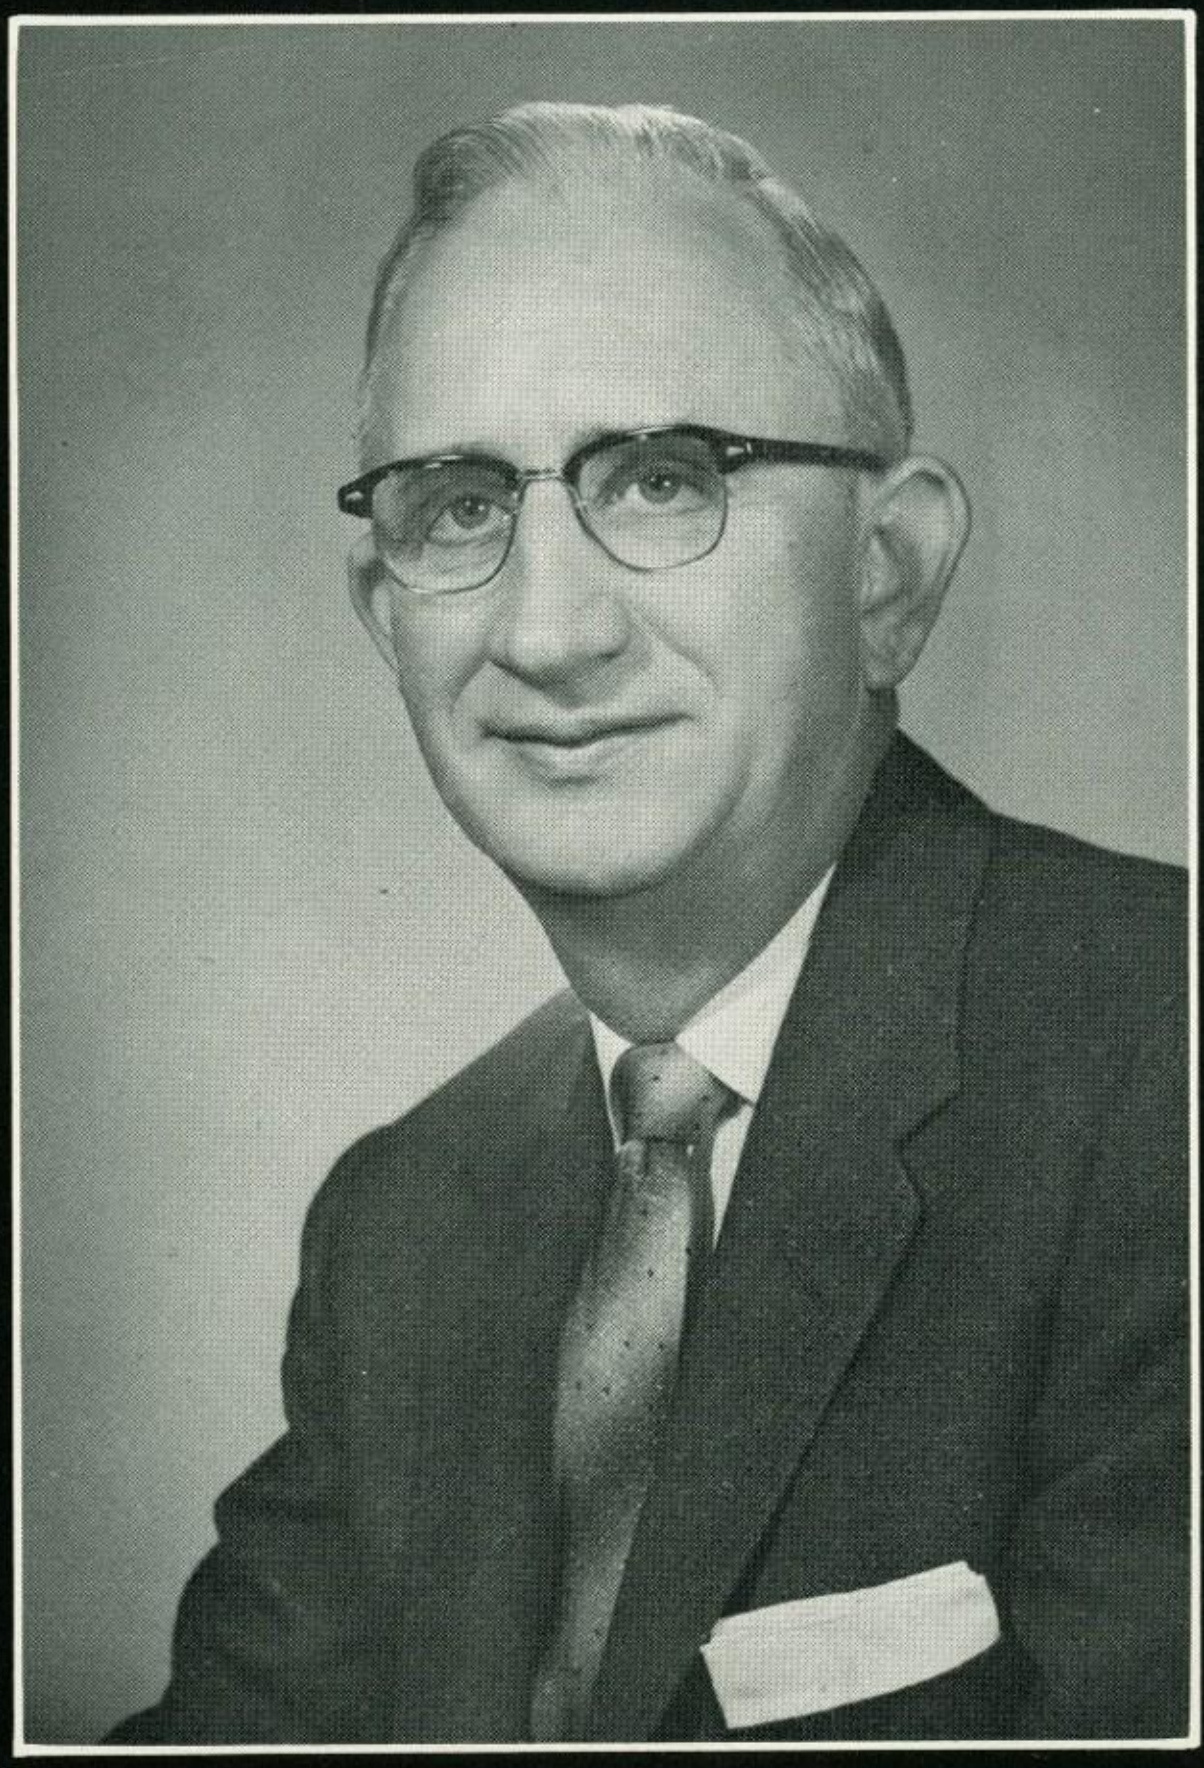
Autumn is not just returning to Randolph-Henry and the changing of leaves. It is the warm greeting of an old friend and the crowds roaring from the football field on chilly Friday nights. Activities are organized and the noise of the marching band wafts through the window, and we sometimes long to escape from studies. Activities, sports, and social events reflect all the vigor and enthusiasm of autumn at Randolph-Henry.



THE CHARLOTTE COUNTY BOARD OF EDUCATION

Administration

The Charlotte County Board of Education formed policies for the Charlotte County school system and was responsible for the operation of the county schools. New members of the board this year were Mr. Spraggins Marshall of Madison district, and Mr. Robert Hall of Central district. Other members of the board were Mrs. Flournoy Barksdale of Roanoke district, Mr. John Lyle of Walton district, Mr. Purcell Hamlett of Midway district, Mr. Judd Jackson of Bacon district. Mr. Jackson served as chairman of the board and Mr. Lyle was vice-chairman.



MR. GRANT O. McGHEE
Superintendent of Schools

Mr. Grant O. McGhee received his AB degree from Emory and Henry College and his MA degree from Duke University. His experience includes teaching, serving as Director of Instruction, and as Principal.

In 1957 he became Superintendent of Charlotte County schools after serving as Principal of Randolph-Henry for five years.

Mr. McGhee provided leadership for the schools by attending scheduled meetings, serving on committees, making numerous speeches, and publishing various articles.

Principal

MR. ORAL E. WARE

Mr. Oral E. Ware is serving for the third year as Principal of Randolph-Henry. He received his BS and AB degrees from Fairmont State College and his Master's degree from the University of Virginia.
Before coming to Randolph-Henry in 1960, Mr. Ware was with the Norfolk County School system as Supervisor of Distributive Education. He had served also as a teacher at Cradock and Churchland High Schools. Mr. Ware's enthusiastic and warm spirit serve as a guiding light to the student body in all of its endeavors—scholastic, social, and athletic.

MRS. KATHLEEN E. MITCHELL

Mrs. Kathleen E. Mitchell is a graduate of Randolph-Henry High School and attended Madison College.
As secretary of the general office Mrs. Mitchell has added much to the success of the year in the way of friendliness, as well as helpfulness. Her efficiency in handling office matters has contributed to the smoothness of the school year to both students and members of the faculty.

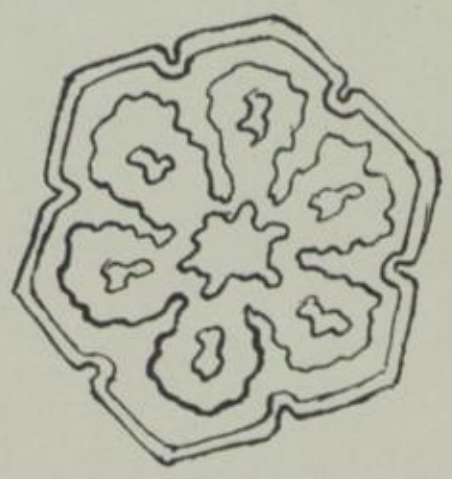
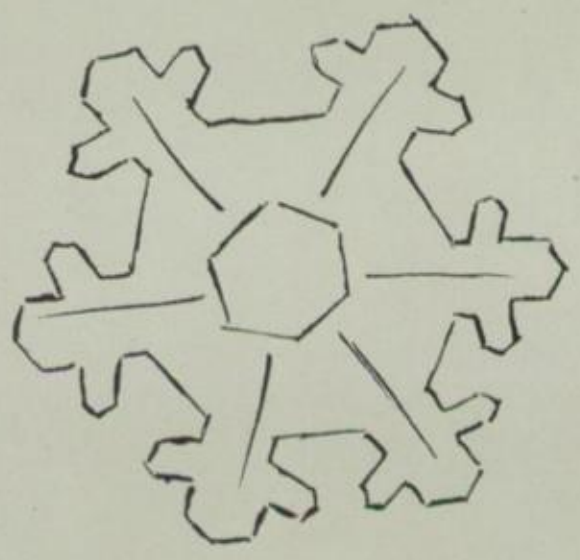
Winter





WINTER

Winter brings to Randolph-Henry gloomy days of rain in November, but soon the soft snowflakes and the glow of Christmas act as a buffer to the cold. Studies are pressing but the busy schedule of classes is neglected for the spirit of Christmas as the Christmas pageant and the holiday dances precede the holidays. Soon the school is deserted, and then we return to face exams and the excitement of basketball games. Exams lead into a new semester as the last snow melts, and we end a winter of studies and busy gaiety.

Spring

SPRING

As spring approaches, one can see a multitude of half-opened books, and daydreams in the eyes of Randolph-Henry students. There is a new curiosity and activity in our lives, balanced with dances, picnics, and school elections. But most especially, spring brings with its own warmth of friends, and the reward of goals striven for together.

Choosing pictures

The Editor's job is an important part of planning an annual—ideas are collected and compared and the best are selected to use.

Tommy Tharpe, a post graduate student, has done much of the necessary typing for this year's **Log.**

The Log 1963

Billie Waller, Ellen Nelson, Sherry Eastridge, Vivian Fleshman, and Mary Viele, assisted by Mrs. Lawson, work on layout.

A rare picture of Dwight. He's usually busy snapping everyone else.

Not even an annual can be run without money. The business staff handles ads, orders, and expenditures.

Due largely to the knowledge, the experience, and above all, the patience of one Mrs. Frances Lawson, Randolph-Henry has an annual every year. The minimal size of this year's class was a problem for her, in addition to the inexperience of her proteges. Now that all obstacles are safely overcome, the conspirators on **The Log,** 1963, say, "Thank You."

Goals of the Student Cooperative Association

To develop in our school the kind of students who are worthy citizens of the home, the school, the community, the nation, and the world in which they live.

To help provide a wholesome spiritual, mental, social, and physical school environment.

To assist in working on community projects, such as providing food, clothing, and comfort to procure a fuller measure of happiness for the less fortunate members of our society.

Once every six weeks (or thereabouts), the Journalism Club publishes this school's official news, **THE STATESMEN.** Here students interested in writing and meeting people can know the thrill of a first interview and the satisfaction of seeing the story in print. Editors have their problems, too—planning assignments, rewriting articles, and getting the product to press. The work is often long and frustrating, but its result is a gloriously rewarding sense of accomplishment.

These students enjoy studying Spanish in Room 20 with Mrs. McNair. They learn much about the people, language, and customs of Spain, Mexico, and South America. Spanish Club Activities include initiation, the Christmas pinata, the annual Spanish-Latin picnic, and most important, the fun and knowledge gained in class daily.

The Resolutionaries

Negative

Last year our Debate Team, comprised of Bitsy Ramsey and Charles Ramsey (Affirmative) and Margaret Clardy and Lucian Robinson (Negative), rated an all-around second place in District III Competition. Margaret and Lucian scored higher than any other negative team at the meet, with Charles and Bitsy in close second as Affirmatives.

Affirmative

The Debate Club trains argumentative students for the distinction of representing R-H in competitive tournaments. Mrs. McGhee is Club Sponsor and coach for the Debate Team.

Library assistants work six periods a day checking in, classifying, and shelving books, helping other students find information and materials for study, selling paperbacks, collecting fines, and making the library an attractive place to patronize. This year the Library Club helped organize a District E student library association, of which Harold Bell became president and Sharon Hanmer secretary.

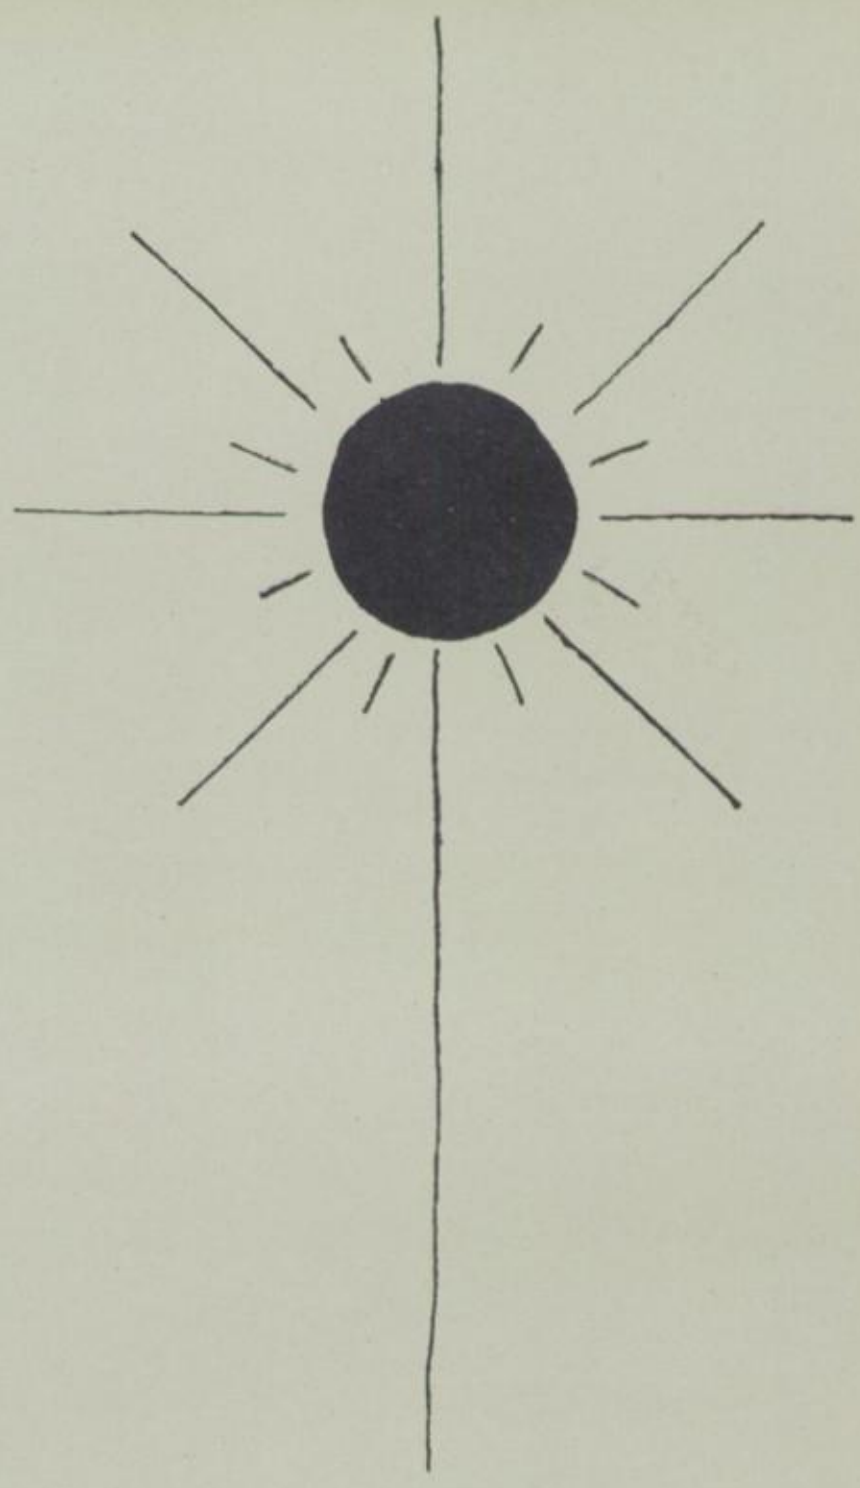
Summer



SUMMER

Summer brings humidity and heat, final exams and farewells. Picnics culminate the activities of many groups. Then comes the end of another year; the last exams, the leave taking of friends who mean more than they know. All take with them the wisdom of new experiences. As blue and white robed seniors march across the stage for the last time, they know that the long-sought diploma can never represent all that they have gained from Randolph-Henry.

Drama

THE BRUTE, by Anton Chekov, won R-HHS its first "Distinguished" rating in District III One Act Play competition in many years. Directed by Mrs. Betty B. Ware, with Harold Bell, Mary Viele, and John Bartholomew in the only three parts, it brought home a high "Superior" from the state meet in Charlottesville, where the production was praised for both direction and selection of a literary work.

Harold Bell hammed his way through the title role of Smirnoff.

The judge at Charlottesville said Margaret Clardy's make-up on the three principals was the the day's best.

Mary Viele played Mrs. Popoff, a young widow who resented Smirnoff's intrusion.

John Bartholomew stole several scenes as Looka, the aged servant.

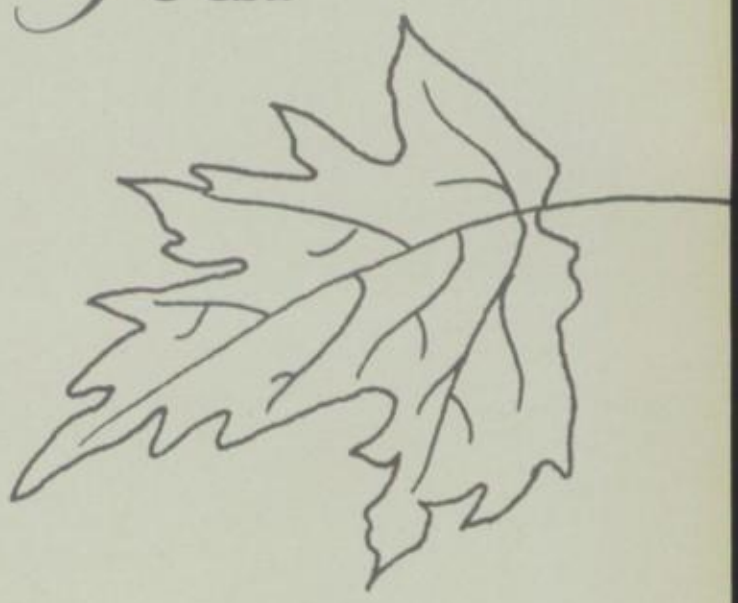
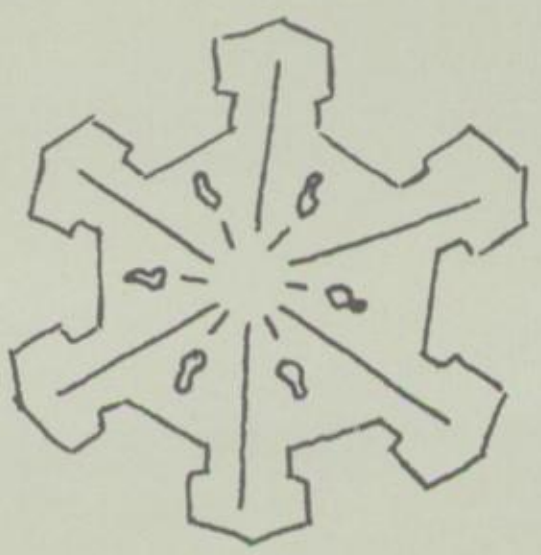
Our Wonderful Year





OUR WONDERFUL YEAR

The record of our wonderful year would not have been possible without the support of businessmen through their advertising in **The Log.** Although **The Log** staff feels that advertisements in our annual will prove of definite value to the advertiser, we would still like to express appreciation to the businesses concerned.
